

Habitat for Humanity + Lutheran House Project

Building a home with God's people in need.

Trinity Lutheran Church - Family Lenten Giving Calendar

During the spring and summer of 2004, members of Lutheran congregations in the Waterloo region will be focusing their time and energies on the **Habitat for Humanity - Lutheran House Build** to take place in May (pre-build) and July (main construction) in Kitchener. Volunteer participation forms (purple sheets) are available at the church. People may also contribute food and construction materials of all sorts. Your pastors have information. Over the 40 days of Lent, the people of Trinity are invited to consider their own well-being and to focus their thoughts, prayers and actions on the need for decent, affordable housing out in the community. This calendar affords each Trinity family the opportunity to make a Lenten offering toward the **Habitat for Humanity - Lutheran House Build** based on their own family's well-being. Simply collect each day's contributions in a can or jar. At Easter, place your contributions on the offering plate. Be sure to mark your envelop "Habitat" and include your envelope number.

Lent, 2004
